## EXPLANATORY STATEMENT

---

This Explanatory Statement has been prepared for the information of Shareholders in relation to the business to be conducted at the Company's 2014 Annual General Meeting to be held on Friday, 21 November 2014 at 11.00 am (AEDT) (**AGM**).

The purpose of this Explanatory Statement is to provide Shareholders with all information known to the Company which is material to a decision on how to vote on the resolution in the accompanying Notice of Annual General Meeting.

This Explanatory Statement should be read in conjunction with the Notice of Annual General Meeting.

### 1. RESOLUTION 1 – Adoption of the Remuneration Report

The Company's Remuneration Report to shareholders forms part of the Company's Directors' Report for the year ended 30 June, 2014 and is set out in the Company's 2014 Annual Report. The Remuneration Report is submitted to shareholders for consideration and adoption by way of a non-binding resolution.

However, recent amendments to the Act which have effect from 1 July, 2011 provide that if the Company's Remuneration Report receives a 'no' vote of 25 per cent or more at two consecutive Annual General Meetings, a resolution must then be put to shareholders at the second Annual General Meeting as to whether another meeting should be held (within 90 days) at which all directors who were in office at the date of approval of the applicable directors' Report must stand for re-election.

Shareholders will be given a reasonable opportunity at the Meeting to ask questions and comment on the Remuneration Report.

The directors unanimously recommend that shareholders vote in favour of Item 2, noting that each director has a personal interest in his own remuneration from the Company.

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

Shareholders appointing a proxy for this Resolution should note the following:

If you appoint a member of the Key Management Personnel (other than the Chair) whose remuneration details are included in the Remuneration Report, or a Closely Related Party of such a member as your proxy, you must direct your proxy how to vote on this Resolution. Undirected proxies granted to these persons will not be voted and will not be counted in calculating the required majority if a poll is called on this Resolution.

If you appoint the Chair as your proxy (where he/she is also a member of the Key Management Personnel whose remuneration details are included in the Remuneration Report, or a Closely Related Party of such a member), you do not need to direct your proxy how to vote on this Resolution. However, if you do not direct the Chair how to vote, **you expressly acknowledge and authorise the Chair to exercise your proxy on this Resolution (except where you have indicated a different voting intention on the proxy form) even though this Resolution is connected directly or indirectly with the remuneration of a member of Key Management Personnel, which includes the Chairman.**

If you appoint any other person as your proxy, you do not need to direct your proxy how to vote on this Resolution, and you do not need to mark any further acknowledgement on the Proxy Form.

## **2. RESOLUTION 2 - Election of Dr James Jian Liu**

Dr Liu was appointed to fill a casual vacancy within the Company since the last Annual General Meeting under clause 13.2 of the Company's Constitution and is seeking election as directors of the Company. Any director appointed under this clause may hold office only until the next Annual General Meeting and is then eligible for election at that meeting. Dr Liu is eligible for election under clause 13.2 and offers himself for election as a director of the Company. Biographical information follows below:

Dr. Liu has over 20 years entrepreneurial experience in China, the United States of America (USA) and Africa. He has held several Directorships including AENY, a USA coal mining company, and Stonewall Mining Pty Ltd. He was the co-founder and managed two high-tech companies in the Silicon Valley and was a former Banker with the Citi Group.

The Directors (excluding Dr Liu) unanimously recommend that shareholders vote in favour of Resolution 2.

---

## **3. RESOLUTION 3 – Re-Election of Mr David Murray**

Resolution 3 seeks approval for the re-election of Mr Murray who is retiring by rotation under clause 16.1 of the Company's Constitution. This clause states that at least one third of the Company's directors must retire from office at each Annual General Meeting. Mr Murray is the longest director in office and is therefore required to retire under clause 16.2 of the Company's Constitution. Mr Murray is eligible for election under clause 16.2 and offers himself for re-election as director of the Company.

Mr Murray retired as president of Energy Coal at BHP Billiton Limited in December 2009 after holding various senior positions within the coal division from 1993. Mr Murray worked for Ingwe Coal Corporation from 1978 to 1999, having acted as Managing Director from 1993 onwards. In 1999 he was appointed as Chief Executive of Billiton Coal. In 2001, after moving to Australia, he was appointed CEO of BHP Billiton Mitsubishi Alliance. Prior to accepting, the position of President of Energy Coal in 2008, Mr Murray has served as BHP's President of Metallurgical Coal and President of the Coal Customer group.

The Directors (excluding Mr Murray) unanimously recommend that shareholders vote in favour of Resolution 3.

---

## **4. RESOLUTION 4 – Re-Election of Mr Nathan Taylor**

Resolution 4 seeks approval for the re-election of Mr Taylor who is retiring by rotation under clause 16.1 of the Company's Constitution. This clause states that at least one third of the Company's directors must retire from office at each Annual General Meeting. Mr Taylor is the longest director in office and is therefore required to retire under clause 16.2 of the Company's Constitution. Mr Taylor is eligible for election under clause 16.2 and offers himself for re-election as director of the Company.

Mr Taylor has experience as Head of Equity Capital Markets at Stonebridge Securities Limited, a boutique stockbroker headquartered in Sydney. Prior to joining Stonebridge, Mr Taylor worked within the UBS Equity Capital Markets team and prior to this within the Macquarie Bank Equity Capital Markets team.

Mr Taylor has been involved in raising over AUD 6 billion for ASX listed companies. He also has experience in conducting due diligence and structuring a number of regulated and unregulated M & A transactions through his work with Blake Dawson as a Corporate Lawyer.

The Directors (excluding Mr Taylor) unanimously recommend that shareholders vote in favour of Resolution 4.

## 5. RESOLUTION 5 - APPROVAL OF ADDITIONAL PLACEMENT CAPACITY

In August 2012, the ASX introduced ASX Listing Rule 7.1A which enables certain 'eligible entities' to issue equity securities of up to 10% of their issued share capital through placements over a 12 month period commencing after the Annual General Meeting ("**Additional Placement Capacity**"). ASX Listing Rules require that Shareholders approve the Additional Placement Capacity by special resolution, at an Annual General Meeting before any equity securities are issued under the Additional Placement Capacity.

For the purposes of ASX Listing Rule 7.1A an 'eligible entity' is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an 'eligible entity'. The Additional Placement Capacity is in addition to the Company's 15% placement capacity under ASX Listing Rule 7.1 and, as such, if the Additional Placement Capacity is approved, the Directors will be allowed to issue equity securities of up to 25% of the Company's issued share capital without prior approval from shareholders.

While the Company does not have current plans to undertake a capital raising, the Company seeks shareholder approval by way of a special resolution to have the ability to issue equity securities under the Additional Placement Capacity should the need arise.

Importantly:

- Pursuant to ASX Listing Rule 7.1A.3 the issue price for each security issued under the Additional Placement Capacity will not be less than 75% of the volume weighted average price for securities in that class over the 15 trading days on which trades in that class were recorded immediately before:
  - The date on which the price at which the securities are to be issued is agreed; or
  - If the securities are not issued within 5 trading days of the date above, the date on which the securities are issued.
- The issue of equity securities under the Additional Placement Capacity may result in voting dilution of existing ordinary shareholders (as shown in the table below). There is also the risk that:
  - The market price for equity securities in that class may be significantly lower on the issue date than on the date of the Annual General Meeting; and
  - The equity securities may be issued at a price that is at a discount to the market price for those equity securities on the issue date.
- Equity securities under the Additional Placement Capacity may be issued until the earlier of:
  - The date that is 12 months after the date of the Annual General Meeting at which the approval is obtained; or
  - The date of approval by ordinary shareholders of a significant change to the Company's activities under ASX Listing Rule 11.1.2 or the date of approval by ordinary shareholders of a disposal of a major asset under ASX Listing Rule 11.2.

To be clear, any approval of the Additional Placement Capacity at this Annual General Meeting will cease to be valid in the event that ordinary shareholders approve a transaction under ASX Listing Rule 11.1.2 or 11.2.

---

- 
- For personal use only
- The Company may issue equity securities under the Additional Placement Capacity for the following purposes:
    - Non-cash consideration: for the acquisition of new assets and investments (in such circumstances the Company will provide a valuation of the non-cash consideration as required by ASX Listing Rule 7.1A.3); or
    - Cash consideration: to raise funds for the exploration and development of the Company's existing assets, the acquisition of new assets or investments (including assets associated with such acquisition), to repay debt or to fund working capital.

The Company will comply with the disclosure obligations under Listing Rules 7.1A(4) and 3.10.5A upon issue of any Equity Securities.

- The Company's allocation policy for issues under the Additional Placement Capacity is dependent on prevailing market conditions at the time of any proposed issue. The identity of the allottees of the equity securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:
  - The purpose of the issue;
  - The methods of raising funds that are available to the Company, including rights issues or other issues in which existing shareholders may participate;
  - The effect of the issue of the equity securities on the control of the Company;
  - The financial situation and solvency of the Company;
  - Prevailing market conditions; and
  - Advice from the Company's advisors.

As the Company has no current plans to undertake a new capital raising, the allottees under the Additional Placement Capacity have not yet been determined but if such an exercise was undertaken, allottees may include existing substantial shareholders and or new shareholders who are not related parties or associates of a related party of the Company.

Further, if the Company is successful in acquiring new resources, assets or investments, it is likely that the allottees under the Additional Placement Capacity will be vendors of the new resources, assets or investments.

- A voting exclusion statement has been included in this Notice. However, as at the date of this Notice, the Company has not approached any particular existing shareholders to participate in the issue of equity securities under the Additional Placement Capacity. No existing shareholders' votes will therefore be excluded under the voting exclusion in the Notice.
- When the Company issues equity securities pursuant to the Additional Placement Capacity, it will give to ASX:
  - A list of the allottees of the equity securities and the number of equity securities allotted to each (not for release to the market), in accordance with Listing Rule 7.1A.4; and
  - The information required by Listing Rule 3.10.5A for release to the market.

The below table shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A(2) as at the date of this Notice.

The table also shows:

- (i) Two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting or under Resolution 6; and
- (ii) Two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

---

The above table has been prepared based on the following assumptions:

- Current Variable A is calculated as at 8 October 2014.
  - The Company issues the maximum number of equity securities available under the Additional Placement Capacity.
  - The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue.
  - The table shows only the issue of equity securities under the Additional Placement Capacity and not under Listing Rule 7.1.
  - The issue of equity securities under the Additional Placement Capacity includes only shares.
  - The issue price of \$0.20 was the closing price of shares on ASX on 7 October 2014.

## **6. RESOLUTION 6 – Ratification of Prior Issue of Shares to a Sophisticated Investor**

### **6.1 General**

On 27 December 2013, the Company issued 20,000,000 Shares at an issue price of \$0.20 per Share to raise \$4,000,000.

As announced to the ASX on 27 December 2013, the issue was made to a sophisticated investor.

The Company engaged the services of licensed securities dealers to manage the placement and agreed to pay the dealers a fee of 6% (exclusive of goods and services tax) on the amount raised under the placement.

Resolution 6 seeks Shareholder ratification pursuant to ASX Listing Rule 7.4 for the issue of those 20,000,000 Shares (**Ratification**).

### **6.2 ASX Listing Rule 7.1**

ASX Listing Rule 7.1 provides that a Company must not, subject to specified exceptions, issue or agree to issue more equity securities during any 12 month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period.

### **6.3 ASX Listing Rule 7.4**

Listing Rule 7.4 sets out an exception to ASX Listing Rule 7.1. It provides that where a Company in general meeting ratifies the previous issue of securities made pursuant to ASX Listing Rule 7.1 (and provided that the previous issue did not breach ASX Listing Rule 7.1) those securities will be deemed to have been made with shareholder approval for the purpose of ASX Listing Rule 7.1.

By ratifying this issue, the Company will retain the flexibility to issue equity securities in the future up to the 15% annual placement capacity set out in ASX Listing Rule 7.1 without the requirement to obtain prior Shareholder approval.

---

#### 6.4 Technical information required by ASX Listing Rule 7.4

Pursuant to and in accordance with ASX Listing Rule 7.5, the following information is provided in relation to the Ratification:

- (a) 20,000,000 Shares were allotted;
  - (b) The issue price was \$0.20 per Share;

### **VOTING BY PROXY**

To vote by proxy, please complete and sign the enclosed Proxy Form and return by the time and in accordance with the instructions set out on the proxy form.

In accordance with section 249L of the Corporations Act, members are advised that:

- each member has a right to appoint a proxy;
- the proxy need not be a member of the Company; and
- a member who is entitled to cast 2 or more votes may appoint 2 proxies and may specify the proportion or number of votes each proxy is appointed to exercise. (If the member appoints 2 proxies and the appointment does not specify the proportion or number of the member's votes, then in accordance with section 249X(3) of the Corporations Act, each proxy may exercise one-half of the votes.)

New sections 250BB and 250BC of the Corporations Act came into effect on 1 August 2011 and apply to voting by proxy on or after that date. Shareholders and their proxies should be aware of these changes to the Corporations Act, as they will apply to this Annual General Meeting. Broadly, the changes mean that:

- if proxy holders vote, they must call all directed proxies as directed; and
- any directed proxies which are not voted will automatically default to the Chair, who must vote the proxies as directed.

Further details on these changes are set out below.

***Proxy vote if appointment specifies way to vote***

Section 250BB(1) of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution and, **if it does:**

- the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (i.e. as directed); and
- if the proxy has 2 or more appointments that specify different ways to vote on the resolution – the proxy must not vote on a show of hands; and
- if the proxy is the chair of the meeting at which the resolution is voted on – the proxy must vote on a poll, and must vote that way (i.e. as directed); and
- if the proxy is not the chair – the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (i.e. as directed).

***Transfer of non-chair proxy to chair on certain circumstances***

Section 250BC of the Corporations Act provides that, if:

- an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of the Company's members; and
- the appointed proxy is not the chair of the meeting; and
- at the meeting, a poll is duly demanded on the resolution; and
- either of the following applies:
  - the proxy is not recorded as attending the meeting;
  - the proxy does not vote on the resolution,

the chair of the meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the meeting.
